## The THM Board encourages everyone to get involved!

- For our newer residents, volunteering is a great way to meet your neighbors.
- Volunteering promotes a sense of community and helps keep everyone informed.
- Volunteering can take many forms and does not necessarily involve manual labor—planning activities and conducting research can be done from home with only a phone or computer.
- If anyone would like to serve on any of our committees (or maybe form a new one), please contact a Board Member or our Community Manager. Our contact information can be found at [townhousemanor.org](http://townhousemanor.org)

A photograph of a tree at night, illuminated with warm, golden bokeh lights. The lights are out of focus, creating a soft, glowing effect against the dark background. The tree's branches are visible, and the overall mood is festive and celebratory.

Let's make 2022 our best year ever!
